Information Assurance Concentration Progress/Enrollment Form

Dept. of Computer Science

Name:

Student ID:

UMass email:

Expected graduation year:

Two Mandatory Classes (9cr)	Term	Grade
CS 453 Networking		
CS 491S/415 Intro to Security		

One Optional Class with a project in security (3cr)	Term	Grade
CS 496 Independent Study		
CS 499Y, 499T Honors thesis or project		
CS 691cc/615 Adv. Information Assurance		
CS 591D Applied Cryptography		
CS691* Some graduate-level security seminar (with pre-approval)		
Other with pre-approval (e.g., 445, 453, 535)		

Notes:

- 499Y/499T are usually two-semester classes. Credit for the concentration will be given only if both semesters are passed (i.e., the thesis or project is completed).
- Students must receive a grade of B- or higher in independent study, 499Y/499T courses, and graduate seminars to count as credit towards the concentration (and cannot be taken pass/fail).
